Foreword

*Even as these words go down,
Time slowly steals away the moments we will be together.
But yet time nor fortune can rob us of our friends
And of the feelings we have for people.*

CLASS MOTTO: Happy are those who dream dreams,
and are willing to pay the price to make
them come true.

James H. Jackson

"Consult your friend on all things, especially on those which respect yourself. His counsel may then be useful where your own self love might impair your judgment."

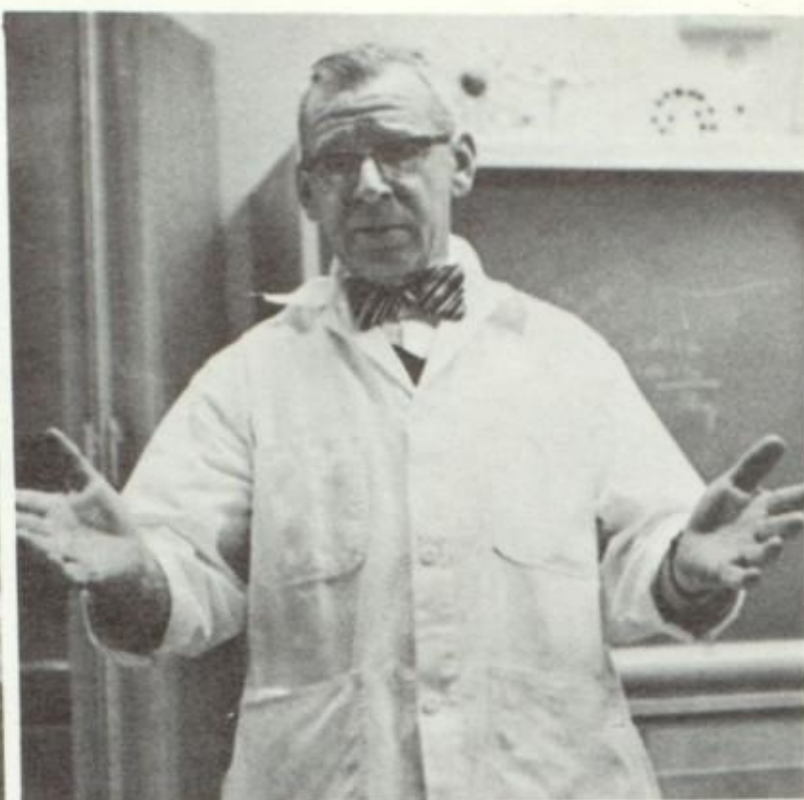

Seneca

When we entered HAHS for the first time as freshmen in the year 1970, everything was strange — new halls, new kids, new teachers, and a new guidance counselor. This year was to be a crucial one. One that may change our whole lives. During our year as freshmen, we had to make many decisions about the future. Our formal education started here with choosing a curriculum, deciding on a vocation and thinking about a college. We were finally on our way to meeting the world.

Very soon we met the man that was to help us face the problems and decisions that go along with our years at HAHS. The understanding man we knew as our guidance counselor, Mr. James H. Jackson.

Throughout our 4 years at HAHS, he was not only our guidance counselor, but our good friend. We could always depend on him to listen to our problems and to help us through those "crucial" situations, as we thought of them at the time. He never let us down. His door was always open. He always took an interest in student affairs. He could always be seen at all the sports activities, at all the proms, and anything extracurricular that had to do with the students.

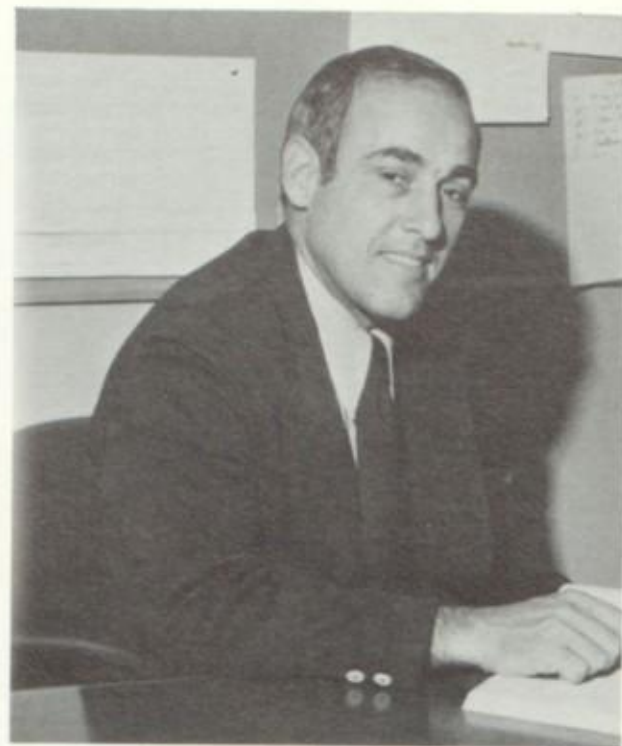

To this great man, Mr. James H. Jackson, we the class of 1974 would like to dedicate our ARGUS for all the help, care, and time he gave to us during four of the most meaningful years of our lives. We also hope that the future graduating classes of HAHS will benefit from the presence of one of the most influential men we as a class ever knew.

MARCHING BAND

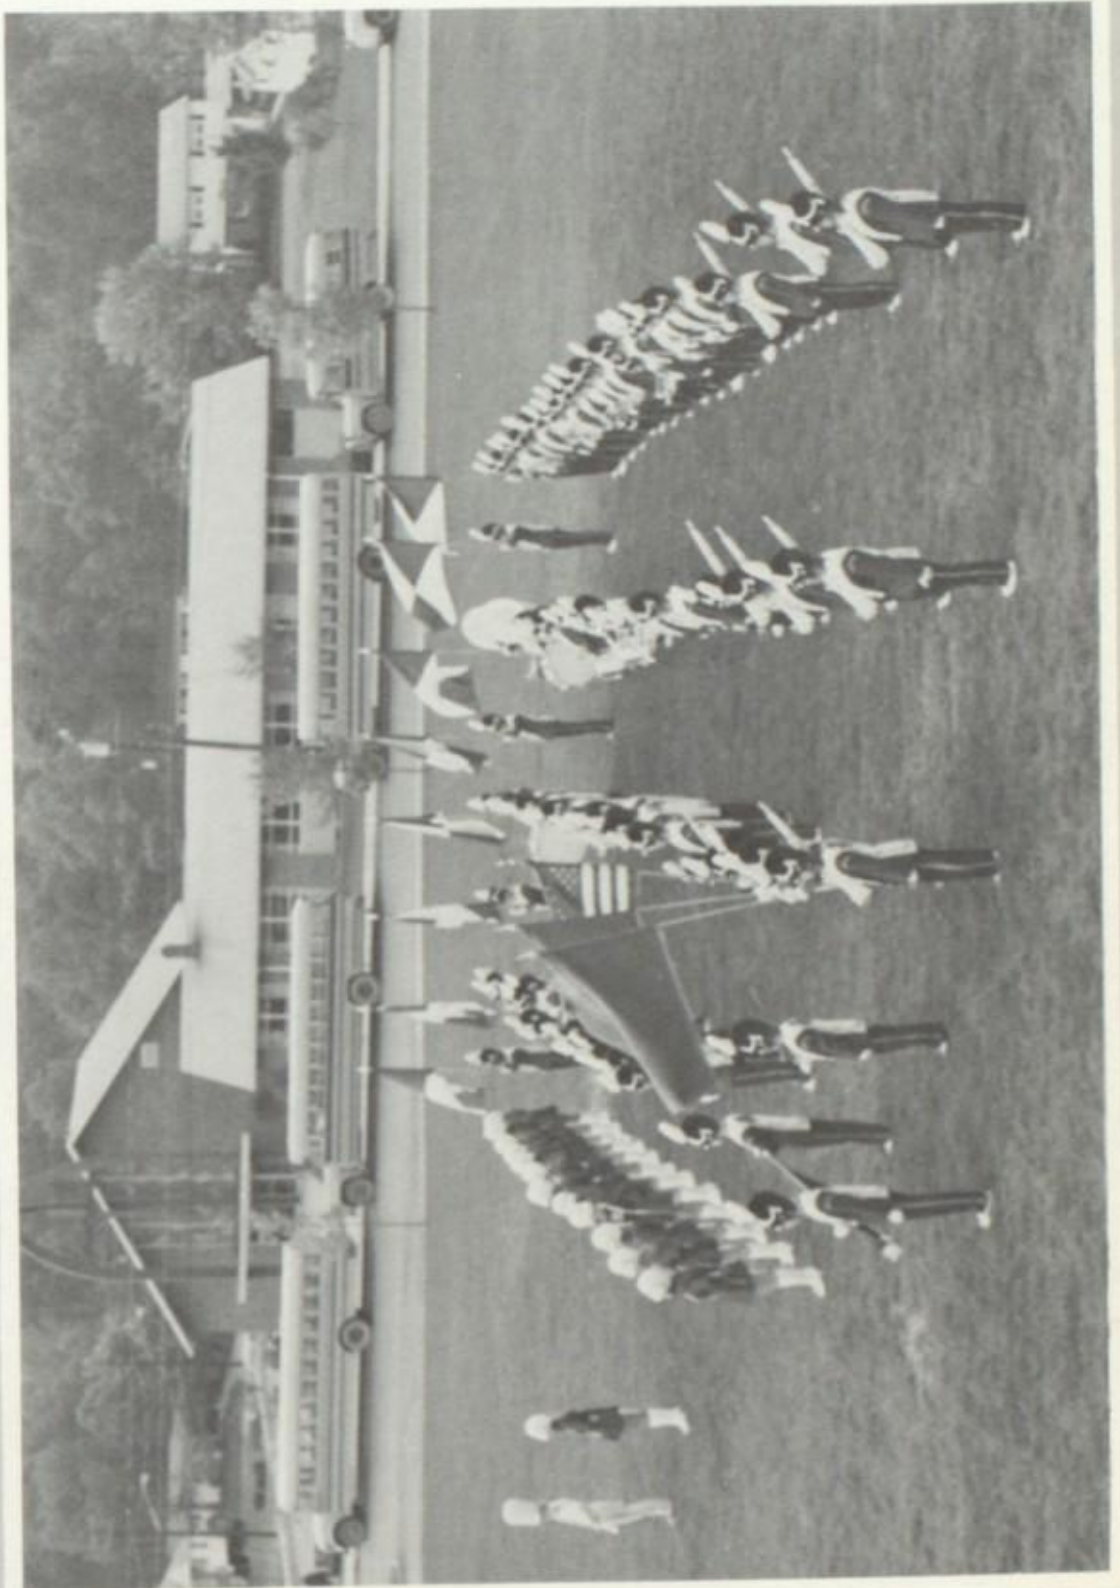

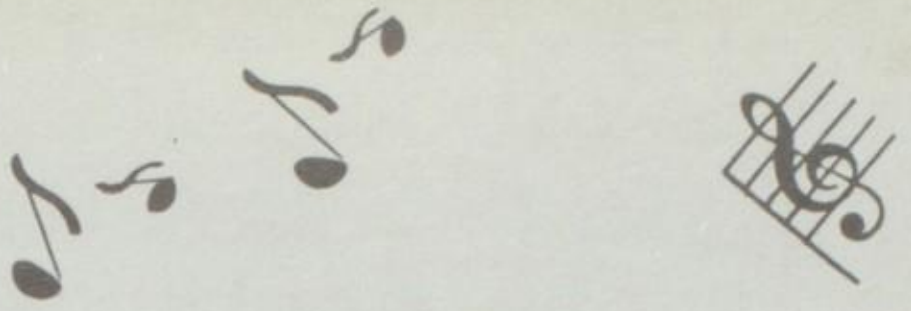

The 1973-1974 Marching Band began a very successful year with long and hard practice at the annual summer band camp. Led by drum major Bill Crownover, Color Guard Captain Janice Schmitt, Head Major-ette Patti Beaver and Director William G. Croissant, the band marched on to cheer our teams to victory. Led by 22 mighty seniors the Bearcat band could be seen at Football games, pep rallies, parades and many other community activities, always doing sharp precision drills and playing modern peppy tunes.

The band brought great honor on themselves and the school when they captured first place (and an attractive trophy) at the Mt. Union Halloween Parade. The band also traveled to the traditional Penn State Band Day on November 17.

In all the '74 band had a very successful and rewarding year!

MAJORETTES (Left to Right): Debbie Eriksen, Cindy Crone, Drena Grainey, Gail Streightiff, Cindee Good, Kathy McGraw, Patti Beaver. (Kneeling): Pegge Shore, Donna McMahan, Bonnie McIlroy, Kim Gibboney, Michelle McMickens, Terri Gongloff.

COLOR GUARD

Get in line! Smile! Lift your legs! . . . These were familiar commands to the 1973-74 majorettes who were led by head-majorette Patti Beaver, and advised by Sue Pfierer.

After several months of practice, 13 girls were chosen as the HAHS majorettes. Since then, they have had hard, time-consuming practices which have led them to be the great asset to the band which they were this year.

Altogether it was a busy and very successful year for the majorettes — one which they and the students of HAHS, are sure not to forget.

HOMECOMING 1973-1974

Homecoming ceremonies this year were held on October 26, 1973, during the halftime show of the Huntingdon-Hollidaysburg football game. All week there was much excitement and anticipation around the halls of HAHS. Who will be the new queen? . . . No one knew. Then the moment everyone had been waiting for — Cindy Coffman was crowned the 1974 Homecoming Queen by last year's Queen, Kathy Black.

BELLES AND BEAUS

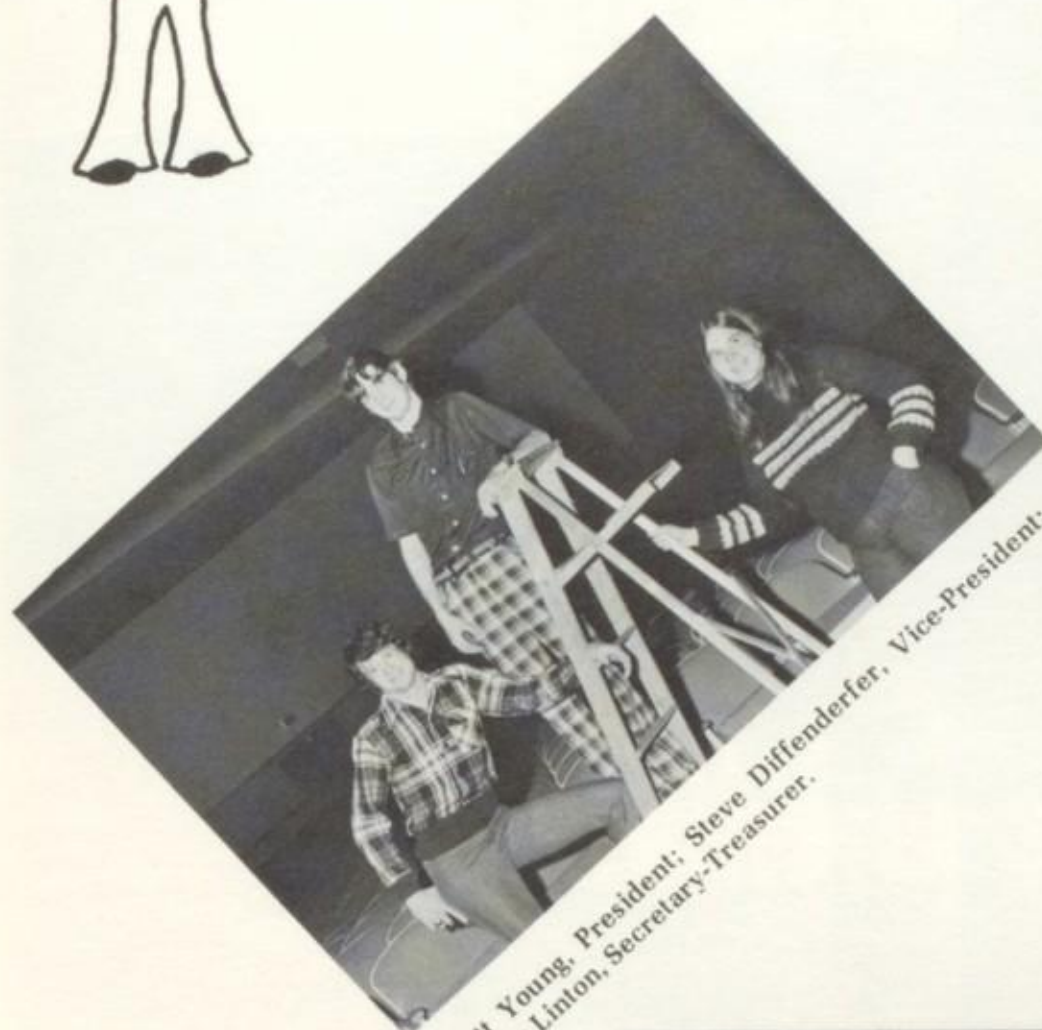

The Belles and Beaus had an exciting year singing their way around the area. They performed many places at Christmas time including the Golden Age Club, Millers, and the 5 Hours of Christmas at WTAJ TV in Altoona. Also they added their special touch to the H.A.H.S. annual Christmas program. After many long hours of practice on the usual Monday night, a spring tour brought a climax to a very successful year.

CONCERT BAND

The HAHS Concert Band had a successful year; again under the direction of William G. Croissant. Moving inside after football season the Concert Band proudly presented the Mid-Winter Concert on January 24, 1974. The concert was a great success!

On February 7, 8, and 9, Deb Brumbaugh, Kitty Kephart, Becky Floyd, Terry Whitsel, Betty Kelly, Jim Hart, and Melody Moyer attended the South Central District Band Festival at Hollidaysburg High School. The band was under the direction of Dr. James W. Dunlope of Penn State University.

Thirty-three members of the band attended the county band activities on February 28, March 1, and 2. This was held at Juniata Valley.

They held their annual spring concert and a successful spring banquet. Here the members received the individual recognition they deserved. The seniors received blankets, the juniors — jackets, the sophomores — letters, and the freshmen — pins.

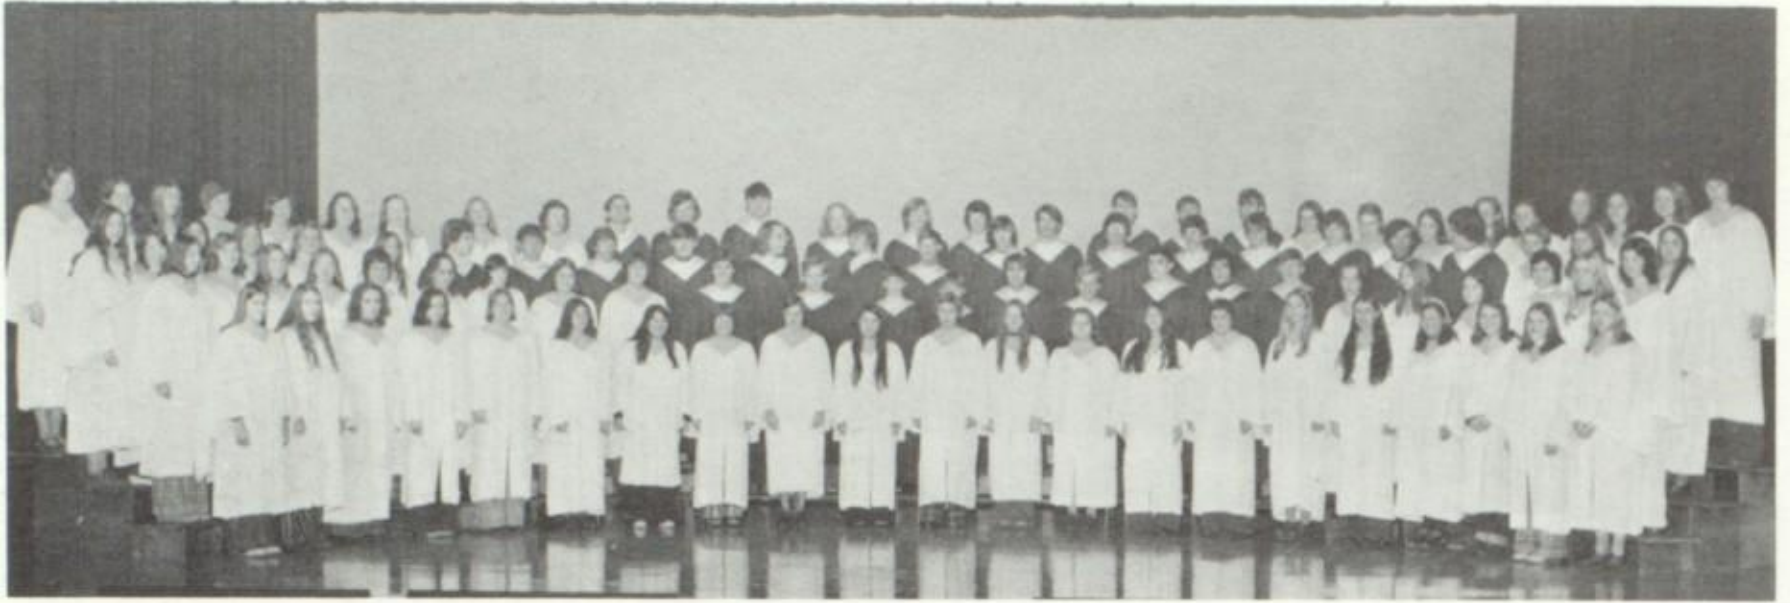

With the hard practices, successful concerts and several fund-raising projects, the 1973-74 Concert Band had a very rewarding year.

TIME OUT FOR GINGER

"Time Out for Ginger," by Donald Alexander, was presented on December 5, 1973, under the direction of Sue Ann Busko and Peggy Fisher, with Advisor Rick Lombard.

The plot of the Drama Club production revolved around a young girl, Ginger Carol, who was taking advantage of a new rule permitting girls to become members of the football team. Watching the outcome of this hilarious situation provided a very enjoyable evening's entertainment. The cast included Peter Stewart, Cindy Irwin, Diane DeForrest, Linda Powell, Barb Weaverling, Diana Hunter, John Brown, Gary Feagley, Rick Hooper, and Rick Gore.

STUDENT COUNCIL

1 9 7 3 — 1 9 7 4

The Huntingdon Area High Student Council continued this 73-74 year as the students' voice in the governing body of our school. With Mr. Wyland, the council advisor, the Student Council had a successful year with many fun-filled activities and projects.

The Student Council selects and organizes most of the school's activities and sponsors the annual Homecoming Queen ceremony.

The Student Council would like to express their thanks and appreciation to the student body and faculty for the support and cooperation shown this year in the activities the council carried out.

"Raindrops Keep Falling On My Head" was the theme of the 1973 Prom. We will always remember the hours spent decorating, rolling tape, and rolling more tape, hanging the ceiling, painting the scenes, and each other, and last but not least, the fun we had.

When evening came, all the work paid off as Dave Gongloff crowned Cathy Spingola as Prom Queen for 1973.

This year H.H.S. was lucky to be able to welcome a Rotary exchange student, Carol Howard. Carol came from Sidney, Australia with her beautiful tan and neat accent! She is living with the family of Mr. and Mrs. Stanley Cipar.

Carol, a member of the Class of 1974, had already graduated from her high school in Warwick. Her family lives on a small farm three miles outside the town of Warwick, which has a population of about 10,000. Her father manages one of three sawmills that he and his brother own. Carol has four brothers and one sister. Their ages range from five to fifteen years old.

As a Rotary student, Carol gives talks to community groups and organizations, telling them about her homeland, Australia.

Although Carol has been far away from her real home, we hope that we have made her feel comfortable enough to consider our home her second home.

This year, the Cross Country team faced a building season with only four experienced runners returning to action. Under the guidance of Coach Ernest Baker, the Bearcats logged their most mileage ever and for the first time, two girls were allowed to join the team. Seniors on this year's team were Corky Banks, Gary Bagshaw, George Copenhaver, Jerry Claybaugh, Rodney Speck, and Paul Weaverling. Instead of electing one team captain, the team called on its experienced seniors for leadership throughout the season. Although the Cats did not experience a winning season their spirit remained high from start to finish!

The interest in girl's sports at H.A.H.S. is booming this year. This fact became very evident as many students came out to see the mighty Girl's Field Hockey Team challenge their worthy opponents. The girls were coached by Mrs. Betsy Capone and proudly led by seven seniors — Cindy Coffman (co-captain), Lita Isett, Debbie Jackson, Kate Marks (co-captain), Nancy Mosser, Marianne Mierley, and Ruth Wike.

Coach: Mrs. Capone

The season ended with a 3-3-1 record. The leading scorer of the league, as well as the team, was Debbie Norris. Hockey is a tough sport which requires a lot of hard work and cooperation, which this year's team displayed very effectively.

The Huntingdon Bearcat football squad had only nine seniors, and depended greatly on underclassmen throughout the 1973 season. After three weeks of preseason practice, the Bearcats opened their season with a win over Punxsutawney, a new opponent. The 'Cats continued their winning ways by destroying Bellefonte 32-0. In the next game with the Philipsburg Mounties Huntingdon was leading at halftime, only to lose 21-13 in a thriller. The 'Cats came back the next week to crumble Tyrone 14-0. However, the young Huntingdon squad fell victim to six game losing streak and ended the season 3-7. Optimistically, the Bearcats lost only nine seniors and there is good underclass talent.

The Junior High Football team has always been exceptional. Displaying team effort, the Junior Bearcats managed to come in "First" this year with a perfect record 6-0.

The following recap shows what effort brought forth this year's victory.

Mt. Union hosted the Jr. Bearcats. The Bearcats rolled over them 32-0 displaying precision teamwork credited to excellent coaching. The second game presented a mighty big Lewistown team. Fortunately, the Jr. Bearcats ended up with a mighty big score 28-6.

Practice, practice, practice!! It is time for Tyrone. Again the Jr.'s scored 28-6. "Practice makes perfect!" says Coach Ciarrocca.

Well!! Three games under our belt and Coach Ciarrocca informed us "We better come through. We need this one to go all the way." Enthusiastic team that we are, we came through and romped Chief Logan 28-8.

The Bearcats on their way to their 5th victory. State College held a five game winning streak against the Jr. Bearcats. By this time we had gained admiral support from friends of the Huntingdon Jr. Bearcats. We were inspired by our family and friends and especially the Cheerleaders to win this game. The Jr. Bearcats slammed State College with a 32-14 Victory.

The final game was approaching. Again — Practice — Practice — Practice. This was The Big One — The Final One! Coach Hammers informed us "We better win for Coach Ciarrocca." He as well as the other coaching staff Wants A Victory. The Jr. Bearcats so far held 20 points or more lead in previous games. The Cheerleaders, parents, and friends crowded the stadium in Springcove.

A victory score 26-14 sent Huntingdon supporters onto the field to congratulate the Bearcats for their terrific effort this year.

Head Coach Angelo Ciarrocca summed this seasons effort up with the following: "They're one of the nicest groups of boys I've ever worked with. They are very coachable and willing to work."

The team summed this victory season up with the following: Coaching with Individualization. Head coach cooperates with team members; Head coach, assistant coach and team cooperates. This was our method of team work!!!!!!

The Huntingdon Area High School Cheerleading squad of 1973-74 was coached by Miss Connie Mateer. The captain of the varsity squad was Sandy Yarnick, with Pam Filson as co-captain. The junior varsity had Denise Mohnal as captain and Kim Sergeant as co-captain.

This year's squad will have some memorable things to look back on: tryouts, camp, getting kicked out of camp, summer practice, Millers' competition, the fair booth, pep rallies, games and matches, Bearcat pins, Bearcat pins, and more Bearcat pins, eating at the M & M, "warming up", pep cards, and the support of the fans which was very much appreciated.

You can find him on Autumn evenings, row C seat 7, bundled in his varsity jacket and red and blue scarf, waving his banner, shouting at times of victory and crying at times of defeat. His chest fills with pride when he hears the band play the Alma Mater and his head bows along with the players as they pray for a victory.

You find him on some winter evenings on the top tier of the bleachers peering at the gym floor and cheering along with the girls in red and blue. His "Bearcat Power" button shines with each basket and foul shot scored, and tarnishes when his team loses by one point in double overtime.

On other winter evenings, you can find him moved down a few tiers as his heart thumps with every strain and pull. His fists clench as he screams for a take down and his eyes sparkle when the referee slaps the mat.

On spring afternoons, he's fanning himself with his red and blue cap, behind the back-stop, questioning the calls of the umpire. At the crack of the bat, he cracks a smile as his team ties the score to go into extra innings. At the call "strike three", his eyes water as he sadly turns and walks away from a "heartbreaker."

Other spring afternoons, he's back to row C seat 7 listening for the gunfire signaling the next event. His pride swells as his man clears the 14 foot mark, and his heart thuds with exhaustion as his runner's chest breaks the string.

You can find him in the summer, polishing his "Bearcat Power" button, mending his red and blue scarf, and dusting off his cap anticipating the oncoming seasons.

He stands behind his teams win or lose, tie or draw, or even forfeit. His spirit is the spirit found in every team member, cheerleader, coach or student, because he sweats as every player, yells as every cheerleader, pushes as every coach, and takes pride as every student; for he is THE MIGHTY BEARCAT FAN!

ROW 1: Roger Greenland, Jim Pandolfino, Bob Lilly, Mark Swinderman, Tom Norris, Jon Kaylor. ROW 2: Chris Mills (manager), Terry Bagshaw, Jim DeForrest, Phil Speck, Robbie States, Dave Wawrose, Steve Smith, Rick Terrizzi, Frank Spingola.

Under veteran Coach George Weaver, the scrappy Bearcat squad hustled to earn a 14-9 record. Against what was predicted, the cagers came close to winning the Mountain League. Huntingdon lost to Tyrone in the first cycle playoff, and then just missed a second cycle chance. However, the 'Cats still compiled the best record in the Mountain League and earned the right to compete in District Six playoffs. Leadership was provided by seniors Tom Norris, Mark Swinderman, Frank Spingola, Jon Kaylor, and Steve Smith. Juniors Robbie States and Phil Speck also supplied extra scoring and rebound punch. The Bearcats, being smaller than most teams, reached success by mere hustle and quickness. The 'Cats major victories came over Tyrone in the first cycle, and over Mount Union in both cycles.

The J.V. Basketball Team, under the excellent guidance of first-year coach Mike Long, was hurt by lack of candidates and experience. However, many of the cagers -18- losses were close and some good young talent was evident. The Bearcats improved throughout the season until they gave all Mountain League Teams rough battles. The victories were against Juniata, Tyrone, Chief Logan, and Philipsburg.

The Bearkittens coached by Mrs. Betsy Capone once again had a very successful season. They finished the season with a 6-4 record. The Kittens were led by co-captains Lita Isett and Kate Marks.

JV's ended the season with a 6-2 record. The "little" kittens had lots of spunk this year coached by Miss Judy Weller. They were led by co-captains Diane Eichensehr and Linda Fuiek.

The Bearcat wrestlers had the best season in nine years during the 1973-1974 campaign, but they fell short of a winning season by losing the last match. The 'Cats were led by six seniors, four juniors, one sophomore, and one freshman. The grapplers started on the right foot by trouncing Lewistown, 40-9, but they lost to Section 3 strongholds Hollidaysburg and Altoona. Returning to a winning road, the Bearcats beat Central, 39-10, and Moshannon Valley, 34-24. By this time, wrestling enthusiasts were pointing at seniors Bobby Green, Dave Eriksen, Dave Bilich, Don Blair and Corky Banks as some of the best wrestlers in the area. Juniors Larry Price, John Brown, Rick Robinson, and Jeff Fagan were turning in fine performances and many needed wins. Burke Bishop, an exciting heavyweight, Rich Brown, and Dave Grove showed promise for Huntingdon in the future. John Wawrose stepped in for injured Jim Tedeschi and Thom Uttley. After the Moshannon Valley match, the Bearcats fell to powerful Chief Logan; but they came back to beat rival Mount Union. The grapplers also recorded wins over Southern Huntingdon and Juniata, and finished with a 6-7 record.

The javels turned up with promising freshmen and sophomores, and Coach Bob Metz and Bob Fultz are happy with their success.

The Bearcats under veteran Coach Ed Hoffman had another successful season. The team started out the season with a 10-0 victory over State College. The team was blessed with individual talent and this was evident by the very respectable record of 11-2. Although the team had championship potential, there was disappointment when the 1973 Bearcat Baseball Team lost the championship deciding game with Penn Highlands.

The 1973 Girl's Softball Team surprised many, including their new first year coach Miss Connie Mateer. The girls worked hard and with plenty of determination and it all paid off. They won the Central Penn League with a 9-3-0 record.

The 1974 season will welcome the return of many lettermen and will look forward to a successful and winning year.

Again the Bearcats had a fine season in the field events and are looking forward to a good season in the track competition. Paced by Roger Hoover at shotput, Stu Jackson at javelin and discus, and Mike Speck in the long and triple jumps, the field-men lost only to Penn Cambria.

The lettermen returning in the 1974 season were George Copenhaver, Rick Merrills, Jeff Fagan, Doug Houck, and Tom Uttley.

The scores of the meets were: Huntingdon 33, Bald Eagle 72½, Tyrone 83½; Huntingdon 57½, Southern Huntingdon 74, Bellefonte 56½; Huntingdon 21, Penn Cambria 111; Huntingdon 38 1/3, Bellwood 111 2/3; Huntingdon 57, Tyrone 93.

Finished at last!

The 1973 Girl's Track Team, under Coach Betsy Capone, suffered a disappointing season in 1973. The girls earned no victories against six defeats. Although there were no victories, the girls put in many long hours of sprinting and conditioning. Seven lettermen returned for 1974.

The Bearcat Netmen "fought on" in 1973, but came out with a disappointing 2-7 record. The determined, dedicated, and well coached team had a tough schedule, losing to Altoona, Hollidaysburg, Westmont each twice, splitting with Penn Highlands due to forfeit, and downing Jersey Shore in the final match of the season.

The team coached by Charles Daum, had seniors Scott Young and Chris Ross returning for the 1974 Spring season.

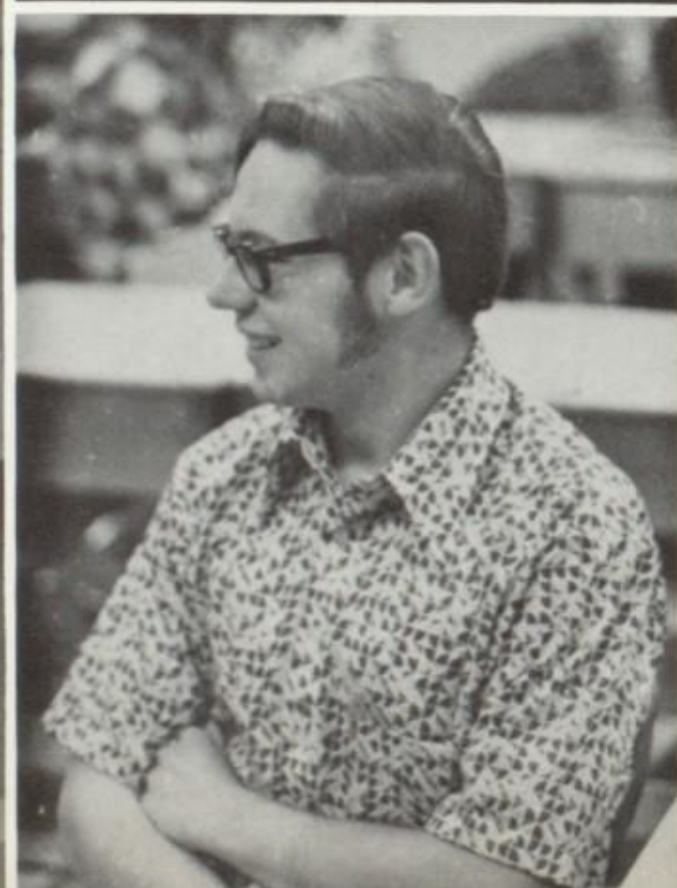

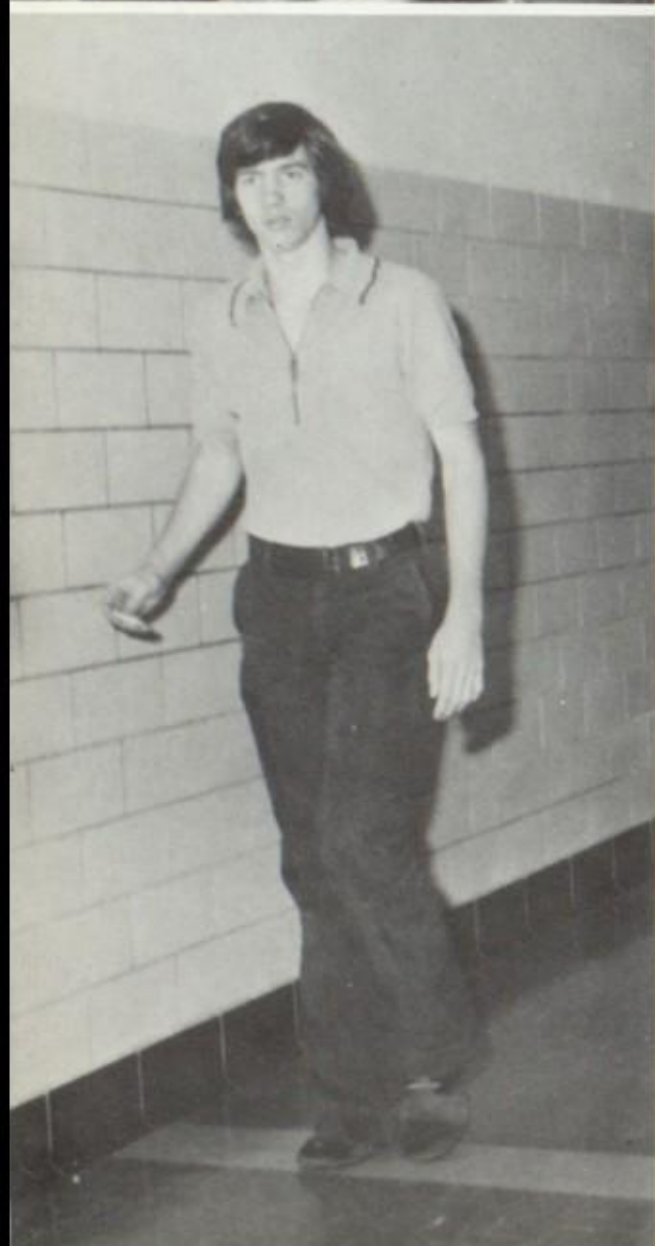

memories,
like the corners of my mind,
misty, water-colored memories
of the way we were.

scattered pictures
of the smiles we left behind,
smiles we gave to one another
for the way we were.

can it be that it was all so simple then?
or has time rewritten every line?
if we had the chance to do it all again
tell me . . .

would we?

could we?

memories
may be beautiful and yet,
what's too painful to remember,
we simply choose to forget.

so it's the laughter
we will remember
whenever we remember
the way we were.

Friendship

Friendship's a gift, priceless and rare,
So gentle, so tender, and true;
Strong as a bond holding earth to the sun
Yet light as the thistledown too!

Holding, enfolding, in thoughtful embrace,
Yet leaving one free as the air;
Asking no thing in return for its gift . . .
When needed, it always is there.

Time neither changes nor alters its glow,
It brightens a long weary road.
Knowing a friend is there by your side
Can lighten the heaviest load.

And as the sun peaks past the dark clouds,
When sorrow and grief are at end,
Joys that there are, are sweeter by far
If shared by a dear thoughtful friend.

CLASS HISTORY

As we, the class of 1974, get ready to walk away from HHS for the last time, we have memories of the way we were.

On September 2, 1970 we entered HHS for the first time as the smallest class in recent years. As we started laying the groundwork for 4 years of high school, we began our first project which was selling magazines. We are grateful to Mr. Horton who advised us in our sales. The election of class officers was a new job for us. Bobby Green was our president; Chris Ross, V.P.; our secretary, Cindy Coffman; Sally Douglass was our treasurer and Pam Filson was elected Historian. Who could ever forget our first pep rally, rooting for the Bearcats and the excitement of the hustle and bustle of the new building. With so much happening, our "greenie" year soon was over.

All too quickly summer passed and we entered our second year at HHS. Our first responsibility was to elect officers. Chris Ross moved up to president with Corky Banks as his understudy; Kate Marks was our new secretary and Sally Douglass remained treasurer. Avoiding the "sophomore blues" as best we could, we realized that in one short year we would be upperclassmen. We supported our 10th grade basketball team as they won the J.V. Mountain League. The girls basketball team was very successful as was our friend Henry Green who was the state wrestling champ. The excitement continued until move-up day when we said good-bye to many dear friends in the class of '72 as they bestowed upon us the honor of being upperclassmen and juniors.

Our junior year began on August 30, 1972. In the fall we elected class officers. Dave Gongloff was our president, Jerry Binney was vice president, Kate Marks remained secretary, and Laura Fillman was our treasurer. We tried not to give Mr. McElhoes and Mr. Hudy nervous breakdowns as we learned how to drive and finally passed our drivers test. As upperclassmen we found ourselves involved in Varsity sports, and we supported our Cats in the "Bearcat Weather" as it tried to bring us luck. We got into the swing of things with our Bearcats winning the Mountain League Basketball trophy. Our team was dominated by juniors. Things kept rolling with the arrival of our class rings. Do you remember who was the first to give theirs away? The pace seemed to pick up faster to the decorating of the junior-senior prom with the theme "Raindrops Keep Falling on my Head." Spring also brought the headaches of college boards, the 74 victory in the quiz show, and the "chicks" winning the softball championship. For an encore to our next-to-last year at HHS, we had the great junior breakfast and move-up, when Jerry Binney received the mantle from Tom Gibboney signifying our being seniors at last!

Our senior year began with the election of class officers. Dave Gongloff remained our president, Jon Kaylor became our V.P., Kate Marks and Laura Fillman also returned as secretary and treasurer. Again our fall was highlighted by football, hillbilly pep rallies, and the parties. There was also SCEAC, ordering announcements, anxiously awaiting the arrival of senior pictures, fighting over ARGUS colors, homecoming, college classes and sending applications for colleges, nursing, business and trade schools. Fall was climaxed with two honors — the Bearcat band placing first at Mt. Union and Huntingdon's new Mayor in room 222. Winter and a snow day saw hours of rehearsing for the Christmas program, the basketball team advancing in district six playoffs, and Don Blair advancing to the State Wrestling tourney. We were still waiting and waiting and waiting for our senior pictures and voting and voting and voting for our class song and motto. We began counting down the "O Happy Days" with the onset of spring which opened with our class play "Barrel Full of Pennies" and the Student Counsel quiz show. Most of our time was taken up with the signing of senior pictures and exchanging announcements and of course more parties. Our athletes were busy practicing for the last time as Bearcats and Kittens. This was the year for us to watch the juniors decorate for our prom.

Soon we ordered our caps and gowns, and planned for our class will and prophecy on move-up day. The last few weeks were spent taking finals, avoiding school for our senior picnic and parties and parties and more parties.

Our final year at HHS ended on May 22, 1974 and with mixed emotions of sorrow to leave and joy to move on. As we look back in our four short years of activities and most of all the lasting friends we made at HHS, may we always have fond memories of the way we were.

Respectfully,
Pam Filson

Denise (Hollingshead) Whitesel

Deep in the hearts of the Class of 1974 lie the indelible memories of the classmates that will never graduate from the halls of H.H.S. Memories of those that the Lord chose to take early from the shelter of their homes and the fellowship of their friends can never be forgotten. The joy, the sorrow shared with these friends will always be remembered. Although these friends may not be able to walk beside their classmates as they follow the path of life, they will always be present in the thoughts and prayers of their fellow students.

Our vision of our friends we once knew will never fade and their souls will always be in our hearts. As nothing can bring them back to the Class of 1974, nothing can ever take them away again. They will never be alone.

Alma Mater

Where the Juniata floweth
Slowly to the sea,
Stands the school we love so dearly,
In her majesty.

Where the crest of Terrace Mountain,
Meets the eastern sky,
And the standing stone of history,
Tells of days gone by.

When the shades of night shall gather,
As the years roll by,
We will still in memory keep her,
Dear old Huntingdon High.

Chorus:

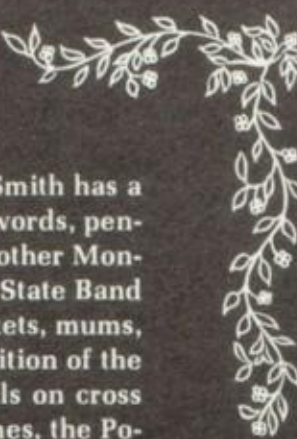

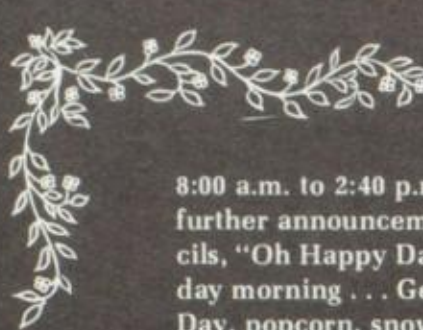

Flag we love, blue and red, wave always,
Huntingdon High O'er thee;
May thy sons and daughters ever,
Worthy be of thee.

Farewell Song

Dear H.H.S.
We'll reminisce
Of glorious days gone by
Those precious days
Have fled away—
Now we must say good-bye
We remember yet
The day we met,
Now soon we must depart
With loyalty
Always to thee
Dear H.H.S.
Farewell.

Throughout our four years at HAHS we've taken many steps towards our future. In our freshman year we looked up with awe and respect to our "superiors," waiting for the day when we, too, would be "up there." Then, as sophomores we carried the blues — trying to figure out exactly who we were, where we were going, and how long it really took to be a somebody. Finally we became juniors and upperclassmen, and gained the satisfaction of actually having someone looking up to US. Now, as seniors, we look back and realize that it was all worth it. Each step brought us a little bit closer to the understanding of ourselves and the realization of our goals. And each step also gave us a feeling of respect for new growth and for those following us.

A single, vibrant red rose is the central focus of the image. It has several layers of petals, some showing a lighter, almost white center. The rose is attached to a long, thin green stem that extends downwards. Several green leaves are visible on the stem, some pointing outwards and others tucked in. The background is a deep, dark blue with a subtle, mottled texture. In the bottom right corner, there is a small, out-of-focus area that appears to be a light-colored surface, possibly a table or a piece of fabric.

An old friend is like a full-blown rose, each velvet petal a pleasant memory. Its fragrance recalls sweetness that grows with years of love, understanding and sympathy.

Margaret Trenton Crawford

A lot of people do not realize the effort that goes behind the production of a yearbook. Many students spend a countless number of hours trying to get the book ready for publication.

In addition to the hard work of the students, a lot of money is also needed, and very few people realize the cost of production for such a publication. All money for the ARGUS comes from two sources: 1. Sale of student subscriptions. 2. Donations from patrons.

We of the ARGUS staff are very pleased to have such great financial support from local businesses and industries. It is because of their support that we can keep the cost of student subscriptions at a minimum while the cost of production rises to a maximum.

Not many communities of our size can boast about such a great financial support from their community as we can, and the ARGUS staff along with the CLASS OF 1974 wish to thank all of the patrons who have supported them this year.
